

**EL PALAU
D'ANGLESOLA**

TALLER DE GÒSPEL

9 / 01 / 22

A group of approximately 15 people are captured in a moment of joyful celebration on a set of stone stairs. They are dressed in a mix of casual and semi-formal attire, with many wearing red and black clothing. Their arms are raised, some with hands open, and their faces are lit up with smiles and laughter. The scene is lit with warm, low-key lighting, creating a festive and intimate atmosphere. The stairs they are on have a decorative red and gold patterned runner. The background shows the ornate architectural details of a building's entrance.

A black and white photograph of a drummer playing a drum set. The drummer is wearing glasses and a dark shirt, and is captured in profile from the chest up. The drum set includes a snare drum, a tom, and a cymbal. The lighting is dramatic, with strong highlights on the drummer's face and the drum surfaces, and deep shadows elsewhere. The overall mood is intense and focused.
